

Pupil Premium Strategy Statement 2020/21

1. Summary information

School	Oasis Academy Clarksfield				
Academic Year	2020/21	Total PP budget	£156,020	Date of most recent PP Review	July 2020
Total number of pupils	456	Number of pupils eligible for PP	95 (21.8%)	Date for next internal review of this strategy	December 2020

2. Review of expenditure

Previous Academic Year	2019/2020
-------------------------------	-----------

Due to the impact of Covid-19 and school closures from March 2020, the funding was redirected to support pupils during lockdown. Where appropriate the funding has been reallocated away from some of these projects to support PP children during the lockdown with their home learning, transport to school and their SEMH.

- Quality first teaching is improving across school and becoming much more consistent
- Currently 63% of teaching is good or better (refer to TIAD monitoring)
- FFT interventions have shown an increase in reading ages of disadvantaged children. These children are making accelerated progress.
- Book looks show that there are high expectations for PP children

March Review:

*Due to the impact of Covid-19 and school closures from March 2020, it is not possible to provide evidence for this section.

- All children provided with home learning during lockdown
- All children received a weekly KIT call to check on welfare and progress in learning
- All children received feedback on their learning via Dojo or over the phone every week

Success criteria partially met. This was a success but unable to measure impact due to lack of data.

Money spent so far:

- £3000 for visits to increase cultural capital.
- African drumming workshop: £319
- Owl visit: £325?
- Inflatable Museum: £380

Still remaining: £1,976

July Review:

- £80 used to transport vulnerable children into school
- £300 used to buy year 6 leavers hoodies and fund a socially distanced leavers picnic to support the SEMH of year 6 children leaving school during lockdown

Still remaining: £1596

Success criteria partially met. This was a success but unable to measure impact due to lack of data. Due to lockdown and school closures, trips and wider experiences were unable to happen. Funding was used in a different way to have a positive impact on the children. This will need to be a priority again next year.

In-school barriers (issues to be addressed in school, such as poor oral language skills)

A.	Covid catch up including Recovery Curriculum
B.	Speech, language and communication
C.	Ability to access greater depth learning – lack of challenge

External barriers (issues which also require action outside school, such as low attendance rates)

D.	Attendance for ALL pupils including PP pupils
E.	Parental engagement – lack of skills/knowledge of English language to be able to support children
F.	Pupils lack of first-hand experiences and opportunities

5. Desired outcomes

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Children catch up on missed learning due to the impact of Covid-19	Improving the percentage of pupils achieving ARE in their year group (65%)
B.	Increased attendance for all pupils, including PP pupils	Attendance for PP pupils to increase from 93.8% (2017/18) to 95% or higher (2017/18)
C.	Increase the percentage of more able PP pupils achieving ARE and greater depth in all year groups.	At least 6% of pupils per year group to achieve Greater Depth in RWM. At least 60% of pupils per year group to achieve ARE in RWM.
