

Hi 1A,

I hope you are all keeping well and busy.

I am missing coming into school each day and seeing your smiley faces.

During my time at home, I have been very busy making sure there are many fun and exciting challenges you can complete on the website.

My favourite thing I have been doing is going for long runs in the hills near my house. It has been very quiet outside, it has been giving me time to think up new, and exciting things for us to learn when we are all back in school together. I am hoping the weather stays sunny and dry for us allowing us to go outside and explore in our gardens.

I would love to see what you have been doing while you have been at home, you can upload pictures, drawings, writing and work on Class Dojo where we can continue to interact as a class and share our successes.

Take care,

Miss Falconer
