

Hey guys!

I hope that you are all well and enjoying time with your family. Myself and Mrs Rania are really missing you all and can't wait to see you again. Thank you and well done to all the children who have logged on to TTRS and class dojo to take part in the challenges so far. If you haven't had a chance to do this yet have a go this week! There is also lots of cool links, video clips, fact files and quizzes on the school website. Just click on "learning" then "home learning".

I have been spending a lot of time outside, chasing Louis around and playing in the garden. I have also done some baking, we like banana bread, flapjacks and pancakes! What have you been up to? I hope you are all keeping safe and helping your parents around the house.

Did you know you can do Science investigations just like we did on Science Day at home? Check out the class story page on Dojo for more info and let me know what you get up to!

Next half term we will be learning about poems....do you know how to write a poem? If you send me a poem on class dojo (about absolutely anything!) I will give you 10 dojo points...I have written a little one below just for you!

### Isolation across the nation

Stay at home and don't go out,  
Sometimes I want to scream and shout,  
I miss my friends,  
I hope this ends  
Soon or I will fall about,  
I'm keeping busy with learning tasks,  
I've done an investigation and made animal masks,  
I'm helping out at home and learning new things,  
Excited to see what new opportunities this brings.

We are sending lots of love and positive vibes your way guys!! Stay safe and well and we will see you soon!

Miss Sayce and Mrs Rania
