

NURSERY/RECEPTION

Try to do one of these activities every day over the Easter holidays.

Remember to keep a record of all these things.

Make a rainbow of hope message and put in in your window. Send it to admin@oasisclarksfield.org.

Make a thank you card or write a letter to someone who is helping others e.g. someone in the NHS

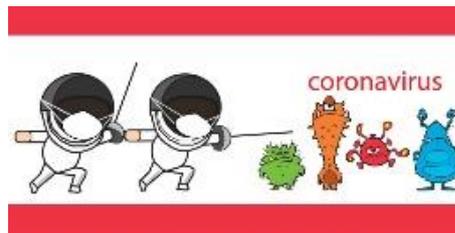

Draw a diary entry for today. Say what you have done and what you have thought about and send it to admin@oasisclarksfield.org.

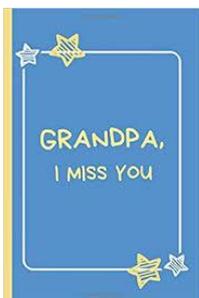

Interview some members of your family Ask them about their feelings, worries and their moments of happiness during the virus.

Make up a cartoon strip. Invent a super hero who can defeat Coronavirus. What magic powers would you give your hero? Send it to admin@oasisclarksfield.org.

Write a letter or make a card for someone who you are missing. Send it to them virtually or through the post. Try to make them smile.

Make a poster or instruction guide about social distancing. What are people allowed to do? What should people remember to do to keep safe?

Use objects around the house or garden to make a piece of art and a message of hope in the style of Andy Goldsworthy. You could use natural things or objects round the house. Ask your parents to photograph It and send it to admin@oasisclarksfield.org

Design a board game around Covid19 and what is happening. Make sure you include some good things as well as some of the bad events.

Draw a type of family tree to show all the different groups of your family and where they are living now.

Imagine there is a special potion that can defeat Covid19 buried somewhere in the world. Make a treasure map with instructions about where to find it

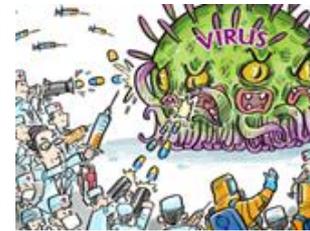

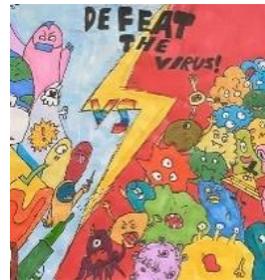

Design a graffiti wall with a message to everyone.

Look around you. Spring is everywhere. What signs of spring can you see from your window?

Make a poster about defeating the virus and send it to admin@oasisclarksfield.org.

Do something special with your family. It might be a nice meal, a game, a story, a funny time. Write about it and say why it is special.

Exercise is important because it is important to keep fit when we can't go out.

Make up an exercise routine or dance.

Use your imagination and invent a Corona monster. You could draw it, model it and describe it. Maybe you could make a wanted poster for it and send it to admin@oasisclarksfield.org.
