Dear parents and carers of 1B

Unfortunately I will not be able to hold a Parents Evening for 1B after the half term as I will be absent from school for a short time following minor surgery.

I'm very much looking forward to speaking to you all about your children and will arrange another chance to meet with you when I have recovered.

Please do not be worried about me – the surgery is very minor and I will be back as soon as possible.

Thanks

Miss Kay
