

A few words from Miss Seed ...

Dear children,

I firstly wanted to say how much I am missing teaching you all, that I am always thinking about you, I know that you are safe with your parents and I enjoy being able to speak to you every week. I am so happy and proud to hear that you are working hard on your learning packs, reading every day, playing fun educational games on your I pads and tablets, and also getting lots of exercise when playing in your gardens.

I have also been very busy at my home with my children Harrison and Isa. We have been taking part in a daily PE lesson with Jo Wicks on YouTube, we have enjoyed sharing stories every day with each other, we too have been completing maths and literacy tasks from the children's workbooks that they brought home from their school. We have also enjoyed playing lots of board games with each other, so that Harrison and Isla can practise sharing and taking turns so that they become better at doing this. We have been drawing and painting pictures. We have been baking biscuits and cupcakes - Miss Seed is not very good at baking but I have tried really hard, persevered and didn't give up and eventually made some yummy Easter biscuits and chocolate brownie cup cakes!

I will continue to look forward to speaking to you over the coming weeks. I know that you will also continue to work hard on your learning packs and read every day. Please ask your parents to keep looking on our school website and on Tapestry as there are also lots of fun learning activity ideas on there that you can do at home.

Take care, keep safe, keep trying hard for me with your learning at home and I really hope that we will see each other again soon.

Miss Seed.
