

Year 5 Weekly Projects

Every week we are going to set you a special challenge, based around one of our topic subjects. You can present your project any way you like (although I will give you some ideas) and you will have 7 days to complete it. Each project will be set on a Friday and is to be completed by the following Friday. Think about how you could present this. You could make a poster or leaflet, write it out, make a Power-point, take photographs and write captions, create a video, or do anything else you can think of! Don't forget to take a photo of any work on paper and message it to me. I will be awarding 10 dojos for every project completed, and 15 dojos for the top 3!

RE Week (Set Friday 24th April)

What is the importance of Ramadan?

- What is Ramadan? How long does it last for?
- Why do people celebrate Ramadan? Why is it important to the Muslim faith?
- How do people across the world celebrate Ramadan? What do they do that is the same as people in Britain? What is different?
- If you celebrate Ramadan with your family, what will you be doing? Why is it important to your family?
- Which other religions also fast? Why do they do this?
- How will Ramadan be different this year?

History Week (Set Friday 1st May)

What do you know about the Stuarts?

- Can you name the Stuart monarchs?
- How did the Stuarts end up being the Kings and Queens of Great Britain?
- Who were the Puritans?
- know about the causes and events of the gunpowder plot
- know about why The Mayflower is an important event in history

Science Week (Set Friday 8th May)

We are unique

- know that fingerprints are unique. How can they be used to solve crimes?
- know what DNA is
- We are unique but are a mixture of our parents, explain this.

Geography Week (Set Friday 15th May)

The United States of America

- Did you know the USA used to be part of the British Empire? What happened?
- Where is the USA on a map?
- Know the capital and some of the main cities?
- What is a state?
- Where are the prairies?
- Where are the Rockies?

Art Week (Set Friday 22nd May)

How do artists paint movement?

- Know how to paint movement in flames
- Know how to paint movement in water
- Have a go at painting or drawing either a fire or a water picture
