

23.11.2020

Dear Parent/Carer,

As part of Maths Week 2020, this month our school has taken part in a nationwide Timestable Rockstars competition. 3A were the highest scoring class at Oasis Academy Clarksfield, and as a result have won the chance to have a 'Rockstars Day'.

We are inviting the children in 3A to come into school dressed as a rock star on Friday 4<sup>th</sup> December. At school that day they will take part in lots of fun maths activities, linked to their times tables. Please ensure that the outfit your child chooses to wear is practical for a full day at school and send them with a coat and appropriate footwear as usual, as they will still be out on the pitch at playtimes.

I would also like to take this opportunity to remind you that learning their times tables is an important skill which we focus on in Year 3. Your child can use their Timestable Rockstars online account to help them to learn their times tables, the logins can be found in the front of their reading record. I am also sending home paper times tables practice each weekend. If you need any additional help with supporting your child to learn their times tables, please let me know.

Thank you for your ongoing support.

Mrs Charles
